Orthodontists**

**Suite 12, 135 Ferny Way
Ferny Hills Qld 4055
Ph: 3351 4848**

We welcome you as a new patient to our practice

An orthodontist is a dentist who corrects tooth and bite alignment for children and adults. For children, both a parent and the patient are requested to attend this appointment. A referral is not necessary to see the orthodontist.

Consultation Appointment

At this appointment, we will discuss your concerns and our orthodontist may ask you to obtain some x-rays to bring with you to your next appointment.

Our consultation fee will also cover the cost for the treatment plan appointment.

X-Ray Review / Treatment Plan Appointment

If your orthodontist has asked you to obtain x-rays please bring them with you to this appointment. Your orthodontist will explain your proposed treatment, the length of time for your treatment, the fee and a suggested payment plan. A written summary will be given to you at this appointment when the treatment plan is finalised. If it is time for treatment, further appointments will need to be arranged.

Location

Suite 12, Ferny Central 135 Ferny Way, Ferny Hills. It is on the first level with stair access from the car park.

Parking

Off street parking is available.

Hours

We will make every effort to arrange an appointment to suit your needs. Office hours are Monday to Friday from 11am to 6pm, with the practice closed alternate Mondays and open from 8am to 5pm alternate Thursdays.

A medical history form can be completed prior to your appointment.

We look forward to seeing you soon.
